14 STIPULATION AND ORDER STAYING CASE FOR THIRTY DAYS

15
16 It is hereby Stipulated and Agreed that all proceedings in
17 this case shall be stayed for a period of 30 days from May 5,
18 2006. The reason for this stay is that the parties have been
19 productively discussing a settlement of this litigation and
20 believe it would be productive to conduct further settlement
21 discussions which may lead to a resolution of this litigation, in
22 whole or in part. It is believed a stay of these proceedings for
23 a 30 day period will allow the parties to complete such
24 discussions without engaging in further motion practice or other
25 pre-trial proceedings.

26 This request is being made in good faith and not for the

purpose of delay.
